Dear Mahmoud,

Student Experience Excellence Award 2018: Adjunct Faculty Award

I am delighted to acknowledge your excellent contribution to the student experience during the past year.

It was very clear to the panel that you stepped up to cover lectures and seminars with very little experience and managed to inspire and help your students to a very high degree, which was reflected in the feedback received.

As a token of our appreciation for your dedication and commitment to the faculty and our students, an award has been made in your name to the value of £500, which you will receive in your payroll shortly.

Once again, many thanks for your valued student focus.

Yours sincerely,
