Dear Dr. Rallis Papademetriou:

The International Conference on Advanced Technologies for Communications (ATC) is an annual conference series since 2008, co-organized by the Radio & Electronics Association of Vietnam (REV) and the IEEE Communications Society (IEEE ComSoc). The goal of the series is twofold i) to foster an international forum for scientific and technological exchange among Vietnamese and worldwide scientists and engineers in the fields of electronics, communications and related areas and ii) to gather their high - quality research contributions.

In 2021, the 2021 International Conference on Advanced Technologies for Communications (ATC) (ATC'21) conference will be held in Ho Chi Minh city, Vietnam, during October 7-9, 2021 and hosted by Ho Chi Minh City University of Technology (HUTECH). The conference will feature prominent invited speakers as well as papers by top researchers from all over the world.

You are invited to serve on the technical program committee for ATC'21, <https://atc-conf.org>.

Please indicate at the URL below whether you can serve on the TPC:
