How SUPER!

So, the Olympics are ready to go.
The Euro is about to dive again.
Care homes are 'failing vulnerable'
and the Welfare State is causing trouble again.

Easy Grammar Tips: How to Use There, Their and They're

Use their to indicate possession.
"Their office computers were removed, with no explanation"

Also use there with the verb BE to indicate the existence of something, or to mention something for the first time.
"I see there is a redundancy letter on your desk"
"The Job Centre is over there"

Remember that they're is a contraction of the words they and are.
"They're clearly going to fire-your-ass"
"BLUE INSPIRES HIM ENORMOUSLY"

Not a Devil or a Rabbit

She said for six years she lived among the Yeti and they would bring her anything she wanted.
